Passes Away Thursday Night After Lengthy Illness.

James F. Hill, father of Mrs. E. C. Garman, wife of the well known railway mail clerk, passed away Thursday night about eight o'clock at the home of Mr. and Mrs. Garman, with whom he had made his home for several years. Organic heart trouble with complications was the direct cause of his death, which came peacefully to the aged gentleman, after a long period of declining health. The deceased was 76 years and three months old, having been born in Cumberland county, where in early life he was engaged in carpentering and contracting work. He was a splendid citizen in every way, quiet and unostentatious in his daily life, but withal gentle, courteous, of sound business principles, and respected and esteemed by all who knew him. His wife preceded him to the Great Beyond a number of years ago. In addition to Mrs. Garman, Mr. Hill is survived by the following children: C. Hill, of St. Louis, J. B. Hill, of Ada, Okla., Mrs. J. T. Mustaine, and Mrs. J. B. Cook, of Horse Cave. He had been a member of the Church of Christ for many years, and was an upright, Christian gentleman. The remains were taken to his former home at Horse Cave Friday, where interment will be Saturday.

#### "Goodnight Corns! Ne Use 'Gets-It!'"

3 Drops in 2 Seconds. That's All. "GETS-IT" Does the Rest. Never Fails.

"Really, I never could see how some few people use the most difficult and painful way they can find to get rid of corns. They'll wrap their toes up with bandages into a package that fills their shoes full of feet and makes corns so painful they've got

to walk sideways and wrinkle up their faces. Or they use salves that eat right into the toe and make it raw and sore, or they'll use plasters that make the corns bulge, or pick and gouge at their corns and make the toes bleed. Funny, isn't it? "GETS-IT" is the simple, modern wonder for corns. Just put 3 drops on. It dries instantly. No pain, fuss or trouble. The corn callus or wart lossens and The corn, callus or wart loosens and comesoff. Millions use nothing else."
"GETS-IT" is sold and recommended by druggists everywhere, 25c a bottle, or sent on receipt of price, by E. Lawrence & Co., Chicago, Ill.

Sold in Stanford and recommend-ed as the world's best corn remedy The Lincoln Pharmacy and The Penny Drug Store.

#### Too Dangerous

Heed The Warning

To have good health, the indiges tion, heart, lungs and kidneys must work perfectly. When there is anything wrong with the digestion, heart or lungs, a very noticeable pain or distress gives prompt warning. Kidney trouble is more easily overlooked, however, and too often gains a Mr. F. M. Eubanks has added a long start. But kidney trouble does give early signs, and backache, dizzy spells, rheumatic pains, too frequent, scanty or painful urination should not be neglected. When these warnings appear, use Doan's Kidney Pills, the reliable, successful, strong-ly-recommended kidney remedy. Assist the medicine by taking things easier, reducing the diet and the use of liquors. A severe attack of kidney disease may be avoided. Doan's Kidney Pills have won the grateful praise of Stanford people. Read this Stanford resident's endorsement.

W. A. Brent, farmer, R. F. D. 2. Stanford, says: "I have used Doan's Kidney Pills and know they are a good medicine. My kidneys were weak and inactive and I had soreness and dull pains across my back. My kidneys acted irregularly also. Doan's his daughter, Mrs. M. J. Morgan. Admirers of the new FORD car, with its absence of brass trimmings, its shaeply hood and other features that contribute to its neat appearance, will be more than amused at the witicism of the claim that the reason the new FORD is practically noiseless is "because the brass band has been taken off the hood." Not in the history of the loose leaf tobacce market in Kentucky has such uniformly high prices prevailed as have been paid this week. Bidding was never known to be so spirited. It's a rare thing that a crop is found that brings less than 10 cents a pound. A great scarcity exists and the buyers are making desperate efforts to secure the most possible. It is impossible for the people to realize	Oscar Bradley, of Boyle sold the following baskets:  70 pounds at 70 pounds at 105 pounds at
